AAYIHA requires that ***all*** players who attend Tracker team tryouts pay a non-refundable \$40.00 tryout fee and a \$250.00 commitment fee at the time they register for tryouts. Please submit two separate checks at registration.

The \$250.00 commitment fee is refunded if a roster spot is not offered, or if the player declines the roster spot prior to the announced deadline. If, after accepting a roster spot, the player decides not to play for AAYIHA, the \$250 commitment fee will be forfeited and any summer ice costs will be due.

All outstanding balances must be paid in full before any player may attend tryouts.

Players must attend at least one of the April tryouts to participate in team functions including summer practices. Goalies are encouraged to attend their respective age classification tryout.

***Players must attend at least one tryout in April
but are encouraged to attend both tryouts!***
