

The Skills Clinics will focus mainly on individual skills. We plan to have a player-coach ratio of 5 to 1. This will ensure that each player will get the attention they need in order to improve upon his/her skating, stick handling, shooting, passing, checking, and offensive and defensive position play.

Players will be separated according to age and skill level within each session.

Skills Clinic punch cards are kept at the front desk. Each time you come in for class please tell the staff and they will mark your punch card.
